

BlueEdge Individual HSA Outline of Coverage

BlueEdge Individual HSA coverage is designed to provide you with economic incentives for using designated health care providers. It provides, to persons insured, coverage for major Hospital, medical, and surgical expenses incurred as a result of a covered accident or sickness. Coverage is provided for daily Hospital room and board, miscellaneous Hospital services, surgical services, anesthesia services, In-Hospital medical services and Out-of-Hospital care, subject to any deductibles or other limitations which maybe set forth in the Policy.
