Payments

Network providers agree to accept amounts negotiated with Humana as payment in full. The member is responsible for any required deductible, coinsurance, or other copayments. Plan benefits paid to non-network providers are based on maximum allowable fees, as defined in your policy.

Non-network providers may balance bill you for charges in excess of the maximum allowable fee. You will be responsible for charges in excess of the maximum allowable fee in addition to any applicable deductible, coinsurance, or copayment. Additionally, any amount you pay the provider in excess of the maximum allowable fee will not apply to your out-of-pocket limit or deductible.

Network primary care and specialist physicians and other providers in Humana's networks are not the agents, employees or partners of Humana or any of its affiliates or subsidiaries. They are independent contractors. Humana is not a provider of medical services. Humana does not endorse or control the clinical judgment or treatment recommendations made by the physicians or other providers listed in network directories or otherwise selected by you.
