

# UniCare Health Insurance Application – Indiana for Traditional PPO and HSA-Compatible Health Plans

***Download / Print the application form, then complete it by hand.***

It's simple to apply for UniCare individual and family health insurance.

## **Important Considerations:**

- Most errors occur in the completion of Section 6 (Health History). For any health conditions indicated in the completion of Part 6A, you must provide complete corresponding details in part 6B. If you need more space to provide these details, use an additional sheet of paper. If you use an additional sheet of paper, you must sign and date it.
- **Section 8 (Payment Method):** You can choose either Monthly Billing (available only through electronic monthly checking account deduction) or Quarterly Billing, in which UniCare mails you a bill every three months.
- **A payment must accompany your application.** Provide a one-month payment, which is acceptable even if you choose quarterly billing. **You can pay by check -- or you can charge your initial payment to a credit card, or you can authorize UniCare to electronically charge your checking account for the initial payment (Part 8A).**

### **APPLICATIONS CANNOT BE PROCESSED WITHOUT PAYMENT.**

- If UniCare declines to insure you, or if you don't accept UniCare's health insurance offer, UniCare will provide a full refund of the payment submitted with your application.

Submit the application and payment (either a check payable to UniCare, credit card payment or authorization to electronically charge your checking account – See Part 8A) to:

**MedPlan Access  
P.O. Box 2220  
West Lafayette IN 47906**

### **...Or You can Fax Your UniCare Application**

For faster processing of your UniCare application, fax the completed forms to MedPlan Access at 765-464-3301. If you fax the application, please charge your initial payment to a credit card, or authorize UniCare to electronically charge your checking account. Then it won't be necessary for you to mail us a check.

We'll be pleased to review the plan and application with you. Just contact us.

Approval of applications generally takes two to six weeks following submission to UniCare. The key factors in this process are 1) the completeness of your submitted application, 2) whether UniCare requires copies of medical records and 3) how long it takes a physician or hospital to respond to a UniCare request (should a request be made) for medical records.

## LIFE AND DENTAL PLANS APPLICATION

**Thank you for applying with UniCare Life & Health Insurance Company (UniCare).**

### Please Note:

**Tobacco users and applicants with certain medical conditions pay an additional premium.** For family applications, if any family member who is to be insured under this plan smokes or uses tobacco, or has a certain medical condition ("rated person(s)"), an additional premium will be applied to the rated person(s) and the entire family. To avoid the additional premium being applied to the remaining family members, you will have the option to have the rated person(s) placed on a different plan so that he or she is billed separately from the other family members. See details under "Family Split Application Option" in Section 7.

• **Coverage is not available if:**

- any family member is currently pregnant (whether or not listed on the application) or in the process of adoption; or
- the applicant has not resided in the U.S. for the last 6 consecutive months.

## 7. Conditions of Application

**It is important that you carefully read and fully understand the following.**

Applicant's Social Security No.

I, the undersigned, understand that under the UniCare plan for which I am applying, I may be entitled to lower benefits if I use a non-participating hospital, physician, or other provider, than if I use a UniCare independently contracted participating hospital, physician, or other provider.

All applicants age 18 and over must personally read, agree to, and sign this application. If an applicant does not read English, the translator must sign and submit the Statement of Accountability, Section 11, for translating this entire application.

### Effective Date

If you currently have health coverage, we strongly recommend that you maintain your current coverage, and allow us to assign your effective date FOLLOWING APPROVAL. If, however, you would like to request a specific effective date, we strongly recommend you allow 60-75 days for underwriting. This will help ensure that your application is processed before you surrender your present insurance and will prevent you from being required to pay for two plans. Please note that surrendering your other coverage prior to approval of a UniCare plan could result in no coverage if the UniCare application is denied. NOTE: If you are adding a dependent, the effective date will always be the first of the month after approval.

If UniCare approves my application, please assign an effective date of the first day after UniCare's approval.

If UniCare approves my application, please assign an effective date of the

1st of the month following approval.

\_\_\_\_\_ (mm/dd/yy).

The effective date must be AFTER the signature date but not greater than 75 days from the signature date on this application.

**REQUESTING AN EFFECTIVE DATE DOES NOT GUARANTEE UNDERWRITING TO BE COMPLETED BEFORE THE DATE REQUESTED. I UNDERSTAND THAT IF I SELECT AN EFFECTIVE DATE, ONLY UNICARE CAN CHANGE THIS DATE. ONCE THIS CERTIFICATE OF COVERAGE IS ISSUED, UNICARE CANNOT CHANGE THIS DATE UNDER ANY CIRCUMSTANCES.**

Initial X \_\_\_\_\_

### Billing Date

UniCare premiums are due on the 1st of each month. Insureds with a premium effective date other than the 1st of the month will be billed on a pro-rated basis to bring future due dates to the first of a month.

### Family Split Application Option

UniCare offers different levels of premiums. Applicants with certain medical conditions may be offered coverage at a higher rate or tier.

The rating tier offered is determined during the underwriting process. Although each family member on the application is underwritten individually, the rating tier is applied to the entire family plan.

However, if you choose, you have the option to "split" the application. If you choose this option, once it has been determined that one or more applicants will be placed into a higher rating tier, the application will be split with the rated person(s) on one application and any remaining applicants processed separately.

This split may result in separate effective dates, separate billing and in the case of family applications, premium differences. In addition, if more than one plan is issued, separate annual family deductible and out-of-pocket maximums must be satisfied. For purposes of the HSA compatible plans, multiple plans may result in a lower contribution maximum into a Health Savings Account. Please contact your tax advisor if you plan on opening a Health Savings Account to use in conjunction with the HSA compatible plan that you are applying for under the Family Split Application Option.

If, after due consideration and discussing these options with your agent you would like to take advantage of this offer, please initial on the appropriate line following this section.

I have read the above and understand that in initialing this I accept that in the event that one or more persons on my application is placed into a higher rating tier that my application will be split and, if approved, more than one plan will be issued. I have discussed this option with my agent and understand that my monthly premium, annual deductible, and annual out-of-pocket maximum may be affected. In addition, I understand that my family and I may receive separate bills and different plan effective dates.

### Agreement (All applicants)

I, the undersigned, agree to the following:

- I understand and agree to pay the premium required with this application. This payment is a deposit which will be returned if my application is denied, or applied to the premium charges if my application is accepted.
- If my application for UniCare coverage is accepted as applied for, the coverage date will be as specified above, but I agree I have no coverage under this application until I am notified in writing by UniCare that my application is approved.
- I understand that UniCare has the right to deny my application, and if it does so, I will be notified in writing and the premium payment will not be processed.
- MINOR CHILDREN:** I represent that I have made such investigations as are necessary to assure the truth and accuracy of all statements made in this application regarding minor children.
- CONCERNING DEPENDENTS AGE 18 AND OVER:** I represent that my dependents age 18 and over (1) have read this application, and have provided such full and accurate information necessary to complete this application, (2) I have discussed all provisions of this application, especially Sections 6A, 6B, 6C and 6D with them, and (3) agree that all information contained in this application regarding them is complete and accurate.
- I understand and agree that if UniCare rejects my application, under no circumstance will any benefits be payable for any person listed on this application. Receipt of money, cashing of my premium check or charging my credit card by UniCare does not constitute approval of my application or create UniCare coverage.
- If I am accepted, this application will become part of the agreement between UniCare and me.
- UniCare may need to request additional medical information from your provider, and this may delay processing of this application. If the health care provider charges a fee for providing this information, UniCare will determine payment, and I will be responsible for any difference.
- I understand that in considering my application, UniCare may use any information prior to the effective date of coverage, including medical conditions which occur after the signature and before the original effective date.
- The selling agent has no authority to promise me coverage or to modify UniCare underwriting policy or terms of any UniCare coverage.
- I have personally read and completed this application. Nothing has been left off regarding the past or present health of anyone listed on this application. I understand that no one listed is eligible for benefits if any information on this application is false, incomplete or omitted. This includes information on the diagnosis or treatment of Human Immunodeficiency Virus (HIV) infection and sexually transmitted diseases. This also includes information on the diagnosis and treatment of mental illness and the use of alcohol, drugs, and tobacco, but excludes psychotherapy notes.

I understand that I have the right to revoke this authorization in writing, at any time, by providing written notification to the entity identified above, I understand that a revocation is not effective to the extent that any of My Providers has already relied on this Authorization to disclose information about me or any of my dependents who are also applying for coverage or to the extent that UniCare has a legal right to contest a claim under an insurance plan or to contest the plan itself. I understand that any information that is disclosed pursuant to this authorization is no longer covered by federal rules governing privacy and confidentiality of health information, but it will not be redisclosed by UniCare except as authorized by me or as required by law.

I understand that My Providers may not refuse to provide treatment or payment for health care services if I refuse to sign this authorization. I further understand that if I refuse to sign this authorization to release complete medical records, UniCare may not be able to process my application, or if coverage has been issued may not be able to make any benefit payments.
